**STIPULATION AND ORDER FOR EXTENSION OF TIME**

IT IS HEREBY STIPULATED by plaintiffs and all defendants, subject to the approval of the Court, that time for the defendants to answer, move or otherwise respond to the Complaint in this action is extended to March 3, 2008.

The reasons for this extension are the following: (1) the defendants require additional time to investigate the allegations of the Complaint; (2) the defendants have received no prior extensions of time within which to file their responses to the Complaint; and (3) the requested extension should not disrupt the schedule in the case, as there has been no initial conference with the Court and there is no Scheduling Order in place at this time.
